Dear Judge Hellerstein:

The case management conference in this matter is presently scheduled to take place on January 20, 2012 at 10:00 am. Due to a scheduling conflict on that date, we respectfully request that the Court reschedule the conference, at the Court's earliest convenience, for any time other than the week of February 20, 2012. Plaintiffs' counsel do not object to this request to accommodate defense counsel's schedule.

Defendants previously requested an adjournment of the case management conference on September 15, 2011, and the conference was rescheduled to October 28, 2011. As a result of Plaintiffs' request to extend the briefing schedule on Defendants' motion to dismiss, Defendants requested a further adjournment, at which point the court adjourned the conference indefinitely, pending the resolution of Defendants' motion to dismiss. At oral argument on the motion to dismiss, the court set the date of the conference to January 20, 2012.

Respectfully submitted,

Michael Bongiorno / SGN
